SHREEYASH KUDALKAR

100% VIBE CODED & AGENTIC VELOCITY

AI-Native & Vibe Coding Full-Stack Engineer

📍 Mumbai, India (Global Relocation Ready) 📞 +91 7715831281 ✉ shreeyashkudalkar4136@gmail.com 🌐 Portfolio
💻 GitHub (@ShreeyashK99) 🚀 Live Production App

PROFESSIONAL SUMMARY & ENGINEERING PHILOSOPHY

Pioneering the AI-Native / Vibe Coding development paradigm. Rather than typing repetitive boilerplate syntax line-by-line, I operate as an engineering conductor—orchestrating autonomous AI coding agents (Claude 3.5 Sonnet, Cursor, Antigravity) to rapidly synthesize, test, and ship full-stack applications at 5–10x traditional development velocity. Backed by formal mechanical engineering rigor, strict TypeScript typing, Zod schema validation, Supabase Row-Level Security (RLS), and automated integration test suites. B.E. graduate from the University of Mumbai (Anabin H+ accredited, Germany Chancenkarte & EU Blue Card eligible).

TECHNICAL ARSENAL & AGENTIC TOOLING

Vibe Coding / Agents:	Agentic Prompt Choreography, Cursor AI, Claude 3.5 Sonnet, Antigravity, OpenCode Gateway, MCP (Model Context Protocol)
Frontend & Full-Stack:	Next.js 15 (App Router, Server Components), React 19, TypeScript 5.6, Tailwind CSS 3.4, Framer Motion
Backend & Databases:	Supabase (PostgreSQL, Multi-Tenant RLS Policies), FastAPI, RESTful APIs, Node.js, Zod Runtime Validation
DevOps & Verification:	Vercel Edge Deployment, Git/GitHub, Automated Integration Test Suites, Docker, Performance Profiling
Data Science & AI/ML:	Python (Pandas, NumPy, scikit-learn), Exploratory Data Analysis, Power BI Dashboards, SQL Analytics

FEATURED PRODUCTION PROJECTS

LaunchPilot AI — Autonomous Full-Stack Architecture & Code Synthesis Engine Oct 2026 – Present

Live App: launchpilot-ai-chi.vercel.app | Code: github.com/ShreeyashK99/launchpilot-ai

- **Architecture & Build:** Built and shipped a production Next.js 15 full-stack application using agentic vibe coding that turns high-level specs into production-grade Next.js App Routes, Zod schemas, and Supabase PostgreSQL RLS migrations in <250ms.
- **Dual-Mode Synthesis:** Engineered an autonomous inference pipeline with OpenCode API gateway integration and a zero-dependency local semantic synthesis engine for resilient offline code generation.
- **Enterprise Verification:** Engineered an automated 12/12 integration test suite validating edge execution, schema syntax, and multi-tenant security guardrails prior to continuous deployment on Vercel.

Hamari AI & Autonomous Multi-Agent Service Oct 2023 – Apr 2024

- Co-developed intelligent platform integrating speech-to-text, NLP chat completions, and automated document synthesis.
- Engineered streaming API endpoints in FastAPI/Node.js paired with responsive client interfaces in React and stateful pipelines.

PROFESSIONAL EXPERIENCE

Hey Concrete May 2026 – Jul 2026 | Mumbai, India

Technical Executive (AI & Automation)

- Architected an autonomous AI Complaint Management System using LLM tool-calling, slashing support ticket turnaround by 45%.
- Choreographed multi-modal AI agents across operations and marketing via the unified HeyOne.Ai dashboard, automating 30% of repetitive workflows.
- Implemented verification guardrails and output parsers to eliminate hallucinations across internal operational logs.

Access Million Apr 2025 – Oct 2025 | Mumbai, India

Data Analyst & Automation Intern

- Constructed end-to-end data transformation pipelines utilizing SQL and Python (Pandas), processing 100K+ transaction records.
- Designed interactive Power BI KPI dashboards, accelerating executive leadership decision-making cycles by 25%.

Bhagyesh Engineering Works Sep 2021 – Apr 2023 | Maharashtra, India

Production & Systems Engineer

- Applied Statistical Process Control (SPC) and quantitative root-cause analysis, reducing manufacturing defect rates by 18%.
- Led workflow optimization across precision assembly schedules, applying data-driven throughput modeling.

EDUCATION & INTERNATIONAL LEGAL RECOGNITION

Bachelor of Engineering (B.E.) in Mechanical Engineering Graduated 2021

University of Mumbai | CGPA: 7.86 (First Class with Distinction)

* Recognized as **H+ on German Anabin Database** (Fully recognized equivalent for German Chancenkarte / EU Blue Card without points deficiency).

Advanced Certification in Data Science & Generative AI 2025

Topmentor
